

# Lisarow Ourimbah Cricket Club Communication Policy

## 2025 - 2026 Season

**Our commitment**

Electronic communication is essential for sharing club news and information with our members. Our communication will be timely, appropriate, and related to club business.

**What we will do**

We use a range of electronic tools to communicate with our members.

Our communication will protect members' privacy, maintain clear boundaries, and ensure that bullying and harassment does not occur.

We expect members to follow the behaviour standards outlined within this Communication Policy, alongside the club, to address the particular issues arising from the use of social media.

A webmaster will be appointed to provide accountability and control over material published on our club's website.

A communication officer will be appointed to provide accountability and control over material published by any related discussion groups on social media websites, such as Facebook, YouTube or X.

**Website**

- Our website will include current information on competitions, social events, committees, policies, constitution, rules and by-laws.
- No offensive content or photos will be published.
- If we intend to publish a photo of a child, we will first seek permission from his or her parents and take care not to provide identifying information.
- We will seek feedback from members to improve the information available on the site.

**SMS and email**

Committee members, coaches and team managers may use SMS and email to provide information about competition, training, club-sanctioned social events, and other club business, however:

- SMS messages should be short and about club/team matters
- email communication will be used when more information is required
- communication involving children will be directed through their parents when possible
- Parents will be invited to be involved in all team chats that their Junior member is involved in
- The Club will set up Senior team chats at the beginning of each season, which will be used for all important information regarding teams, game days, events and more

### **Social media websites**

- We treat all social media postings, blogs, status updates and tweets as public ‘comment’.
- Postings (written, photos or videos) will be family-friendly and feature positive club news and events.
- No personal information about our members will be disclosed.
- No statements will be made that are misleading, false or likely to injure a person’s reputation.
- No statements will be made that might bring our club into disrepute.
- Abusive, discriminatory, intimidating or offensive statements will not be tolerated. Offending posts will be removed and those responsible will be blocked from the site.

### **What we ask you to do**

We expect our members to conduct themselves appropriately when using electronic communication to share information with other members or posting material on public websites connected to the club.

Electronic communication:

- should be restricted to club matters
- must not offend, intimidate, humiliate, or bully another person
- must not be misleading, false or injure the reputation of another person
- should respect and maintain the privacy of members
- must not bring the club into disrepute.

Coaches and others who work with children and young people must direct electronic communication through the child’s parents.

### **Non-compliance**

Members may face disciplinary action for sending inappropriate electronic communication or posting online content or comments that harass, offend, intimidate or humiliate another member, as outlined in our member protection policy or code of conduct.

Under certain circumstances, cyber bullying (e.g. bullying that is carried out through an internet service such as email, a chat room, discussion group, instant messaging or website) is a criminal offence that can be reported to the police.

In addition, members who publish false or misleading comments about another person in the public domain (e.g., Facebook, YouTube or X) may be liable for defamation.

The Management Committee will be responsible for the club promotion and compliance of this policy.
